

ANZAC

APRIL 25, 1915.

FOR THE MEN AT THE FRONT.

Organ, *ad lib.*

Words by Mrs. F. G. Galt

Lord God of hosts, whose mighty hand
Overman holds in sea and land,
in Peace and War Thy Will we see
Shaping the larger life,
Nations may rise and nations fall,
Thy Omnipotent purpose rules them all.

When death flies swift as wave or field,
Be Thou a swift defense and shield!
Towards and summer things may fall,
And help and healing each and all!
O, hear a people's prayers for those
Who neither fear their country's foes!

For those who wait and broken lie,
in weakness and agony—
Grant Heaven to their beds of pain
Sole, love, and peace from whole again!
O, hear a people's prayers, and give
Thy servants in their hour of need!

(Six million copies of the words of John Bunyan's famous hymn have been sold and six million given to the various Funds for the Wounded. It is now being sung all round the world.)

For those to whom the call shall come
We pray Thy tender blessing home,
The folk, the soldiers, all pass,
We trust them to Thy love at last,
O, hear a people's prayers for all
Who nobly strive, nobly fall!

To every valiant heart and hand,
O, come! O, be forever nigh, come!
To heroes souls who wait in fear,
Be Thou swift mercifully near!
And hear a people's prayers, for faith
To quicken life and conquer death!

For those who minister and heal,
And spend themselves, their pain, their sweat—
Flower their hearts with Christlike faith,
And guard them from disease and death,
And in this our good time, hast, send
Thy Peace on earth and Thy will and!

WILL JERUSALEM BE DELIVERED BY THE BRITISH?

The British have ordered you into the desert, east of the River Jordan, to see in Palestine, within stone of miles of the sacred city of Jerusalem, and operations to take us to the proximity of the Temple of the city from Meirah only in the near hours. Below are some illustrations of Jerusalem and some of its leading features.

VIEW OF THE HOLY CITY, SHOWING THE DOME OF ST. JOHN.

The sacred city of Jerusalem has little to contribute to the sacred British city, which, the buildings are all constructed of stone, and the numerous hills of Jerusalem have been covered by the debris of hundreds of years of decay and destruction. The modern Jerusalem is only a small town in comparison with the wide dominions of the centuries of the past.

THE NEW WALKING PLACE.

This illustration shows the New Walking Place, where there is a low wall on one side and on the other the massive wall of the British command of Jerusalem. A large number of people have been seen. The British command, from 1917 onwards, the wall with black turbanes in the air and some buildings on the wall with the British command of Jerusalem. The British command of Jerusalem is now in the hands of the British command of Jerusalem.

THE DOME OF ST. JOHN.

Now, we have the Temple Mount of Jerusalem, which is situated in the middle of the city, and is the center of the city. The Temple Mount is a large hill, and is the center of the city. The Temple Mount is a large hill, and is the center of the city. The Temple Mount is a large hill, and is the center of the city.

THE DOME OF ST. JOHN.

On the eastern side of Jerusalem, and the Temple Mount, is the Temple Mount, which is a large hill, and is the center of the city. The Temple Mount is a large hill, and is the center of the city. The Temple Mount is a large hill, and is the center of the city.

THE DOME OF ST. JOHN.

Jerusalem, the sacred city of the Jews, is now in the hands of the British command of Jerusalem. The British command of Jerusalem is now in the hands of the British command of Jerusalem. The British command of Jerusalem is now in the hands of the British command of Jerusalem.

THE DOME OF ST. JOHN.
